

18th Edition Fast Track 1 Day Course

Course Code: C&G2382FT

Introduction

If you do not hold the 17th Edition then you will need to take our 3 day 18th Edition course.

Our 1 Day 18th Edition Wiring Regulations Course (Requirements for Electrical Installations 2382) could not be more convenient as there is no need to purchase your regs book before you attend, as you can loan a copy for the course.

Free Parking, lunch and light refreshments are provided during the course.

Loan copies of the regs books are available for the day.

Your examination will be on the same day of attendance.

Content

The 1 day 18th Edition course will mainly focus on the changes to the 17th Edition since the third amendment plus how to navigate the latest blue book.

You won't learn every regulation in the book instead you will learn to reference the latest regulations as you would on the job. Topics currently covered on the course will still be:

Scope, object and fundamental principles

Definitions

Assessment of general characteristics

Protection for safety

Selection and erection of equipment

Inspection and testing

Special installations or locations

Appendices

Aim

To allow successful candidates to demonstrate their competency in understanding the BS 7671

Participants

This qualification is primarily aimed at practising electricians with relevant experience and other allied professionals e.g. surveyors, consultants and other trades needing to update and enhance their understanding of IET Wiring Regulations. It is also suitable for anyone wishing to demonstrate an understanding of the IET 18th Edition Wiring Regulations (BS 7671).

Certification

The duration of this test is 120 Minutes

The examination is open book. Candidates are permitted to take a clean copy of the following reference materials into the exam:

IET Wiring Regulations BS 7671:2018

Candidates will also require a non-programmable calculator.

On successful completion you will be awarded a City & Guilds Certificate – note assessment will take place at our training centre.
