

SHEA Core Renewal eLearning

Course Code: EUSR eCR

Introduction

SHEA e-Learning is an online training learning and assessment course for the renewal of a SHEA EUSR registration.

You will attend our assessment centre for your e-learning and assessment.

The modules are taken, one after the other, in order, to progress through to the e-Assessment. The e-Learning and e-Assessment will take approximately 2 – 2.5 hours in total to complete. The e-Learning can be paused at the end of each module and returned to at a later time to complete. There is only one assessment, taken once all the modules have been completed, and once this has been started, it cannot be paused.

Content

MODULE 1	Understanding our workplace responsibilities
MODULE 2	Understanding the effects of our work on the environment
MODULE 3	Identifying and controlling risks
